Subject: Request to attend the 2020 Jamf Nation User Conference

September 29-October 1, 2020
Minneapolis, MN

Dear

I'd like your approval to attend Jamf's annual customer conference, the Jamf Nation User Conference (JNUC) 2020, which is taking place September 29-October 1, 2020, in San Diego, CA. JNUC is the largest gathering of Apple IT administrators in the world and annually offers community presentations from the likes of Apple, Microsoft and many more, deep-dive expert sessions on best IT practices and product insights from thought leaders in the industry.

Focusing on new and better ways to manage Apple devices with the purpose of empowering people, transforming business processes and making IT life easier, this year's event will be the biggest and best yet.

Why I should attend:

- Solve IT problems that impact our organization
- Get ideas that help me take our investment in Jamf and Apple to a new level
- Learn about new and future product features to empower our users
- Share real-life experiences, gain insight and connect with my peers
- Meet and mingle with Jamf product, implementation and support experts

I estimate the approximate cost to attend JNUC 2020 will be:

Conference ticket (check for current pricing tier*)	\$
Discounted hotel (nights at \$ /night)	\$
Airfare and transportation	\$
Travel expenses and incidentals**	\$
Total	\$

Thank you for considering this request! I look forward to your reply.

Cheers,

*Conference ticket prices will increase on specific dates as the conference gets closer.

**Breakfast, lunch and after-hour mini events are all included in the conference ticket price.
