Resources

IT are a great **support**, but how
can we **help** ourselves and **IT**?

Begin by unlocking your device.
We do not have **passcodes** on these.

Passcode Unlock

*With great power
comes great
responsibility*

Current Workflow

 Requires IT

 Pupil out of classroom

 Data loss if erased

Jamf Workflow

 No IT

 Instant Support

 Amazed Pupils

Please open the **Quizlet**
application on your device.

Use **Safari** (internet) to browse to <https://gratisography.com>, Copy the image into Apple **Notes**, **Share** the note to **Socrative** student. Finally accept download the **PDF** from the **Student** application.

Lessons

Current Workflow

 Powerpoint Slide

 Time

 Can't Recycle

Jamf Workflow

 Easy to use - No need for IT

 Scalable

 Share

*Success is where
preparation and
opportunity meet*

Guess whos' App. App Request.

Application Request

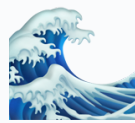

I normally don't do requests. Unless, of course, I have been asked to do so.

Current Workflow

Requires IT

Email, Chase or Biscuits

No updates

Jamf Workflow

Simple for IT

Standard Approach

Direct Deployment to requested class

Home Time

Parental Control

Connecting home and school makes us a great community of learners.

Current Workflow

Concerned Parents

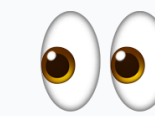

Unlimited screen time

No Control

Jamf Workflow

Reduce distractions

Focus on learning

Parental controls at home

IT are a great **support**, but how
can we **help** ourselves and **IT**?

IT are a great **support**, but how
can we **help** ourselves and **IT**?

IT are a great **support**, but *now*
we can **help** ourselves and **IT**!

Thank You!
